

Thanks for your interest in our citizen science kits testing for amphibian infectious diseases. Please answer the following questionnaire:

1. What is your name, email and phone number?

2. What is the name and address of your school?

3. If you are located in central Oklahoma, are you willing to pick-up and drop-off your kit directly at the Sam Noble Museum in Norman?

4. What grade(s) or class(es) do you teach?

5. How many total students in your classroom?

6. How do you see this project fitting into your current curriculum?

7. How close are you to a pond/stream/lake that you can use for capturing frogs? (with or without students). Would it be easy for you to access?

8. What is your level of commitment for completing a kit (collecting 10 samples) and sending the samples back to us by June 2017?
